FIVE FINGERS PENCIL GRIPS, PACK OF 10

Only
£5.99
Pk10

Each grip gently positions the thumb and index finger to encourage the correct tripod grasp, improving pencil control, line formation, and writing endurance. Designed for classrooms and Special Educational Needs settings, these grips slide easily onto most standard pencils and many pens or crayons.

Cat. No. 814340

PENCIL GRIPS PACK OF 10

Only
£5.50
Pk10

Make handwriting easier and more comfortable with our Ergonomic Pencil Grips. Designed to guide fingers into the correct position, these grips help learners develop a proper tripod grasp for better pencil control and neater writing. The soft, flexible material ensures comfort during long writing sessions, reducing hand fatigue and improving confidence.

Cat. No. 814350

CROSSGUARD PENCIL GRIPS, PACK OF 7

Only
£4.99
Pk7

Improve handwriting posture and comfort with our Crossguard Pencil Grips. These innovative grips feature a built-in crossguard that prevents fingers from sliding too far down the pencil, helping learners maintain a correct and stable tripod grasp. The ergonomic design supports better control, reduces strain, and encourages neat, legible writing.
